

Examination Policy

STANDARD EXAMINATIONS

The academic year commences from April and continues till March of next year. There are 2 terms in an academic year

- First Term (This examination is held between April to October.)
- Second Term (This examination is held between November to March.)

EXAMINATION RESULTS

Examination results are compiled, recorded and maintained in respective student's files. Results are usually put up on the Class Examination Result Sheet and displayed on the notice board; copies of which are authenticated by the School Examination Committee and communicated to the Controller Examinations. Results are obtained from the following:

- Quizzes
- Monthly Tests
- Mid Year Examination
- Final Examination

The result is recorded in a Progress Report and then communicated to respective students and parents.

Note: An academic year may vary according to regional BISE requirements.
